Delaware Division of Medicaid & Medical Assistance

Self-Directed Attendant Care for Children

—VIRTUAL INFORMATION SESSION—

DELAWARE HEALTH AND SOCIAL SERVICES, DIVISION OF MEDICAID AND MEDICAL ASSISTANCE (DMMA) IS HOSTING A VIRTUAL INFORMATION SESSION TO PROVIDE INFORMATION AND UPDATES ON THE MEDICAID NEW Self-Directed Option for Attendant Care.

Effective January 1, 2023, the Delaware Health and Social Services (DHSS), through the Medicaid program, began providing coverage of a self-directed option for parents on behalf of children receiving personal care services. Self-direction allows a parent/guardian or other representative designated by the parent/guardian to direct this service on behalf of their child.

Families are invited to attend one of the sessions below to learn more about the Self-Directed Attendant Care for Children. DMMA also asks that interested families submit any questions to MedicaidInfo@delaware.gov.
